yep, sweet,

obviously no deal, not a problem, we will agree to disagree ok? That's cool with me.

In a way, watching how the dice will finally lie and end up is going to be the only way out of this mess.

That is a shame for all of us.

I obviously now will do what I have to do and you too.

So, the plea to GD Mead video is what it was--?

Not genuine at all?

Let the dice roll, My high roller throw, as you must now realise, I do have the budget for that VIP lounge--you know, the one you never got to work in, in the Las Vegas lounge as the Black Jack dealer.

I wonder if your mother, Jean  nee , from  NY would be proud of you?

Or your father, Charlie  Smith Jnr, from  Texas would be also?

And by all means, let me know how your brother Richard  Paul  and Philip  think of your life now?

Maybe I can drop by Nord Ave or Henshaw Ave or Kilkare Ln and ask the neighbours what they think?

Or maybe I can just make enquiries in Chico? ooops --already done that Brian, and what did I find out?? Do you want that all over YT? It is on record, so, it can be divulged--cool huh?

American Postal workers?

Amazing what they will tell a guy for 20 bucks--Rr 4 Box  ring a bell?

I can tell you now, my father would be proud of me to stand up for my beliefs. AND---act on them.

Cheers.
