G. Day Brian,

Thank you from the bottom of my heart.

I am so grateful for this video you cannot believe it!

Can I suggest, as I always say to my viewers, don't believe me, go check it out—well, please, go check out with your Manook buying Attny. You have, without any ambiguity or misunderstanding, to a world wide audience, BLACKMAILED ME.

In a video published on a world wide forum i/e : YouTube.

Pullhog Dong, go get Chicken man Attny to confirm it—as I had this just relayed to me now by a qualified Solicitor mate of mine a few minutes ago by telephone.

Thank you immensely Brian, go ahead and run me down all you like. I couldn't give a toss what a bunch of illiterate hicks in backwoods redneck country think, but I DO care about having a video of a man saying you will do this or you will do that or I, without a doubt will ruin your reputation world wide. Blackmail Brian, pure and simple, no grey area. You laid it out point by point and my source says that is blackmail. Public blackmail you cannot deny.

Ya know, every time you open your mouth you put your foot in it but THIS time, oh wow, —thank you.

You should have taken Chicken man's advice and just kept your mouth shut huh?

Cheers.
