**EXPLOITING FILIPINO WOMEN TO FOREIGN MEN**

**DATE** : 02 June 2022

---

May we respectfully forward the concern of [REDACTED] regarding a foreign YouTube vlogger allegedly posting videos encouraging other foreigners to visit the Philippines for the purpose of finding Filipino Women as possible partners/wives, hence a possible form of exploitation/trafficking of women.

Based on the uploaded videos of the foreigner, he is allegedly providing reasons why foreigners should visit the Philippines and how foreigners can easily attract Filipino Women. It was also mentioned in one of the videos that bar girls or Filipino Women working in nightclubs make good housewives and that the reason why foreign men flock to the Philippines is that they have a dysfunctional sex life or lack of sexual activity at home.
